

Lebanon Electricity Uninterruptible Power Supply Manufacturer

Why should you choose a reliable UPS system in Lebanon?

Frequent power outages in Lebanon can disrupt your daily life and work. Protect your electronics and maintain productivity with our reliable UPS (Uninterruptible Power Supply) systems. At Active Tech Solutions, we offer a wide selection of high-quality UPS systems from leading brands like APC, CyberPower, and Eaton. Why Choose Our UPS Systems?

What organization does the Lebanon Electric Utility belong to?

The Lebanon Electric Utility is a member of the Indiana Municipal Power Agency. Through this membership, we are able to purchase the most economic power available at any given time, and deliver it to our customers. Cost savings are passed directly to our customers. We are also members of the American Public Power Association.

Why is Lebanon unable to supply electricity?

Lebanon's state electricity company has been supplying as little as two hours of power a day since July because of severe fuel shortages that have plunged much of the country into darkness.

Who is Lebanon utilities?

Lebanon Utilities is a municipally owned electric, water and wastewater utility serving the City of Lebanon, Indiana. Lebanon Utilities also operates the telecommunications division of the city. Our mission at the Lebanon Utilities Electric Department is to provide quality power while keeping the price low and service interruptions to a minimum.
