

Malawi UPS uninterruptible power supply system quotation

Supply, Delivery and Installation of Rack-Mount Uninterruptible Power Supply - UPS and 2 External Battery Packs for each at RFA Head Office and Kalinyeke Tollgate Respectively.

Alpine Power Systems offer complete UPS (uninterruptible power supply) battery installation and replacement solutions. Most importantly, our replacement services include both expert installation of new cells and proper recycling of spent batteries. When you buy a battery, you own it from "cradle-to-grave."

UPS efficiency is based on how much of the original incoming power is needed to operate the UPS. For example, an uninterruptible power supply with a 95% efficiency rating will have 95% of the original input powering the load and connected systems, with the remaining 5% energy "wasted" running the UPS.
