

# Most expensive outdoor power supply

What are the most expensive ATX power supplies?

1000W-1200W Roundup: Five High-End PSUs Today we're looking at some of the most expensive ATX power supplies on the market. All of these PSUs deliver more than enough power for SLI and CrossFire systems, and the highest wattage units are capable of running tri-SLI with GTX 480. Even so, there are still plenty of differences between the offerings.

What is the most expensive PSU?

Priced at \$300 online, it's the most expensive PSU in our list and it once again boasts an 80Plus Gold certification. Unlike most of the other PSUs, the HPC-1200 has eight +12V rails, but it also uses DC-to-DC conversion and Japanese capacitors (almost a requirement to high 80Plus Gold).

How much does a 1000W PSU cost?

Pricing is only slightly higher than other 1000W PSUs, checking in at \$210. Our final entrant in today's roundup comes from Antec, a familiar name to most computer enthusiasts. Their latests creations is the Antec High Current Pro HCP-1200.

Which PSU brand has the best warranties?

Overall though, if you want the best for your PC, Seasonic should be your number one choice because they offer the best warranties. With over 40 years of experience with making power supplies, and many other gaming brands relying on their expertise, this is, hands down, the best and most reliable PSU brand in 2024.

Is pure power 12 m 750W a good power supply?

Pure Power 12 M 750W PSU offers a reliable and well-constructed power supply option with an emphasis on stability, solid performance, and long-term durability, thanks to its dependable HEC/Compucase design and 10-year warranty. It features stable voltage regulation and effective ripple control, meeting its 80Plus Gold rating without exceeding it.

Who is the best PSU manufacturer in 2024?

Based on consistent quality and dependability, Seasonic is our number one choice for the best PSU manufacturer in 2024. They produce PSUs for many major brands, including Corsair and EVGA, and stand behind their products.
