Hi Terry, I brought the type of generator you are looking at to Cuba December last year. I flew Sunwing from Calgary to Varadero and found the girl at the check in desk very helpful and supportive in the process. The generator had to be unused and unopened (I bought it from Costco) and I also had to pay I believe \$210.00 dollars as overweight luggage (around 30 ...

These systems use solar panels and inverters that help convert available solar energy into electricity for consumption at homes, businesses and industries, generating significant savings for...
