Plan Your Design: Before hanging your fairy lights, envision the design you want to achieve. Consider focal points, such as walls, ceilings, or specific objects, and plan the layout accordingly. Measure the Space: To avoid falling short or having excessive length, measure the space you intend to cover with fairy lights. This ensures you have the right amount of lights for a balanced ...

The two strings of lights arrived promptly. I particularly love the Teardrops peach fairy lights which have been used to line a bookshelf. The copper wire fairy lights have been used to wind round all the pictures on the walls - all 19m of it! Daughter is going to be so happy when she gets back from uni..... Would recommend Sparkle Lighting.
